In view of the COVID-19 pandemic and ease of doing business initiative, the Authority introduced an online platform for the renewal of premises and persons' licences for the period 2021-2022. Applicants are required to submit their applications for renewal of both premises and persons' licences through the Online System. Please be advised that the Authority is no longer processing applications that are submitted through the traditional paper based process.

The Online Licensing System is accessible on the following link:
